Dear Supervisors:

**DEPARTMENT OF TREASURER AND TAX COLLECTOR:
AGREEMENTS TO PURCHASE
"TAX DEFAULTED SUBJECT TO POWER TO SELL" PROPERTIES
SUPERVISORIAL DISTRICT 5-AGREEMENT 2568
SUPERVISORIAL DISTRICT 5-AGREEMENT 2569
(3 VOTES)**

IT IS RECOMMENDED THAT YOUR BOARD:

Approve and instruct the Chair to sign the Purchase Agreements of "Tax Defaulted Subject to Power to Sell" properties being acquired by the Desert and Mountain Conservation Authority (public agency) pursuant to the Revenue and Taxation Code, with revenue to be provided to recover a portion, if not all, of back property taxes, penalties, and costs on the delinquent parcels and any remaining tax balance to be cancelled from the existing tax rolls; and approve publication of the Purchase Agreements of "Tax Defaulted Subject to Power to Sell" properties.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

The properties described in the agreements may be sold in accordance with the provisions of Division 1, Part 6, Chapter 8 of the Revenue and Taxation Code and with the policy adopted by Board action on November 24, 1970 as indicated on Attachment "A." Exhibit "A", attached to each Agreement, indicates the legal description and selling price of the parcels.

Upon approval, the attached agreements and copies are to be signed by the Chair and returned to the Tax Collector for transmittal to the State Controller for further approval. County Counsel has approved the agreements as to form.

The Chapter 8 Agreement sale procedure permits eligible public agencies to acquire "Tax Defaulted Subject to Power to Sell" properties without the necessity of a public auction. The properties described in this letter will be acquired by one public agency. The agreements are with the Desert and Mountain Conservation Authority, which intends to utilize the properties for permanent open space and public parkland purposes.

Implementation of Strategic Plan Goals

Approval of these agreements is in accordance with the countywide Strategic Plan Goals of Fiscal Responsibility and Collaboration Across Jurisdictional Boundaries. Delinquent property taxes and costs are recovered, and limited-use parcels are identified for appropriate public purposes.

FISCAL IMPACT/FINANCING

Revenue will be provided to the County for apportionment among the affected taxing agencies, which will recover a portion, if not all, of back property taxes, penalties, and costs on the delinquent parcels. Any remaining tax balance will be cancelled from the existing tax roll.

Existing appropriation is available in the current Treasurer and Tax Collector 2007-08 Budget for publication costs. Publishing, in accordance with Section 3798 of the Revenue and Taxation Code, is the most cost-effective method of giving adequate notification to parties of interest.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

The Chapter 8 Agreement sale procedure permits eligible public agencies to acquire "Tax Defaulted Subject to Power to Sell" properties pursuant to Section 3791, et seq., of the Revenue and Taxation Code.

Attachment "B" is a summary of the public agency's purchases. This attachment indicates the affected Supervisorial Districts and the public use for which the properties are being acquired. Moreover, we have included copies of the relevant sections of the Revenue and Taxation Code pertaining to the Chapter 8 Agreement sale for your information. County Counsel has approved the agreements as to form. Attached to the

agreements are the Assessor's parcel maps showing the dimensions and general location of the affected parcels.

Efforts will be made to contact the owners and parties of interest to inform them of their tax liabilities and the provisions for the redemption of the properties pursuant to Section 3799 of the Revenue and Taxation Code.

Section 3798 of the Revenue and Taxation Code mandates notice of agreements to be published once a week for three (3) successive weeks in a newspaper of general circulation published in the County.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

No impact.

CONCLUSION

Upon approval of the attached agreement forms, the Department of Treasurer and Tax Collector will need all original documents returned for submission to the State Controller, as the State Controller's Office has the final approval of these and all Chapter 8 Agreements.

Respectfully submitted,

Gentlemen:

TAX AGREEMENT SALES

RECOMMENDATION:

That the Tax Collector be directed to review all requests for agreement sales pursuant to Chapter 8 of the Revenue and Taxation Code and recommend to the Board whether such requests should be approved in whole, in part, or denied.

That the Tax Collector is further instructed to review and recommend the price to be paid for such sales which price, in the absence of special circumstances, shall not be less than the amount necessary to redeem the property pursuant to Part 7 of Division 1 of the Revenue and Taxation Code.

EXPLANATION:

This office has recently completed a review of the policies currently in use with regard to the acquisi-

000471

tion of tax deeded lands by taxing agencies under the authority of Chapter 8 of the Revenue and Taxation Code. This study showed that while present practices are in technical conformity with various statutory requirements, the \$1 per parcel price has remained constant since October 19, 1943.

It is the opinion of this office that the continuation of this nominal price is no longer in the best interest of the County and the other involved taxing agencies. The sale for a minimal fee of properties charged with sizable tax deficiencies results in substantial revenue losses to the County and other agencies.

The nominal fee can also result in requests for acquisition without adequate attention given to actual need by the requesting agency. The result is the removal of additional property from the tax base. If resold later as surplus, the proceeds accrue only to the acquiring agency.

Very truly yours,

Desert and Mountain Conservation Authority

FACT SHEET

August 2006

The **Desert and Mountain Conservation Authority** is a new entity created in July 2006 through a Joint Powers Authority Agreement between the Antelope Valley Resource Conservation District (AVRCD) and the Santa Monica Mountains Conservancy (SMMC).

The rapid growth of residential and commercial growth in the northern portion of Los Angeles County (and in surrounding areas within the AVRCD) has driven increasing loss and fragmentation of habitat, resulting in degradation of the area's natural biodiversity. This creates an urgent need for proactive efforts to identify, acquire, and manage areas that will preserve open space and the natural resources of the region.

The D&MCA has been established to identify, acquire and manage open space lands within the boundaries of the two founding agencies for long term conservation benefits. It provides a capability to cooperate with local government and developers in creating an offsite mitigation program to offset open space loss and improve habitat for species such as burrowing owls, desert tortoise, alkali mariposa lilies, Joshua-juniper woodlands, and so forth.

The Authority is managed by a four-person Board consisting of local citizens with a sound understanding of the resource heritage of the area, and a vision of long term needs and possibilities for both the community and the ecosystem. Initial appointments include:

Jim Dodson. Retired financial manager from Edwards Air Force Base, with a long history of activism for public lands protection. Current President of the AVRCD.

Milt Stark. Author and lifelong resident of the Antelope Valley with a well known and respected expertise on its cultural and natural history shown in his books and articles. President of the local State Parks Interpretive Association.

Rick Gould. Director of Parks, Recreation, and Community Services for the City of Santa Clarita.

Dave Myerson. Resource consultant and principle with the Resource Opportunity Group, LLC.

FACT SHEET

August 2006

The **Desert and Mountain Conservation Authority** is a new entity created in July 2006 through a Joint Powers Authority Agreement between the Antelope Valley Resource Conservation District (AVRCD) and the Santa Monica Mountains Conservancy (SMMC).

The rapid growth of residential and commercial growth in the northern portion of Los Angeles County (and in surrounding areas within the AVRCD) has driven increasing loss and fragmentation of habitat, resulting in degradation of the area's natural biodiversity. This creates an urgent need for proactive efforts to identify, acquire, and manage areas that will preserve open space and the natural resources of the region.

The D&MCA has been established to identify, acquire and manage open space lands within the boundaries of the two founding agencies for long term conservation benefits. It provides a capability to cooperate with local government and developers in creating an offsite mitigation program to offset open space loss and improve habitat for species such as burrowing owls, desert tortoise, alkali mariposa lilies, Joshua-juniper woodlands, and so forth.

The Authority is managed by a four-person Board consisting of local citizens with a sound understanding of the resource heritage of the area, and a vision of long term needs and possibilities for both the community and the ecosystem. Initial appointments include:

Jim Dodson. Retired financial manager from Edwards Air Force Base, with a long history of activism for public lands protection. Current President of the AVRCD.

Milt Stark. Author and lifelong resident of the Antelope Valley with a well known and respected expertise on its cultural and natural history shown in his books and articles. President of the local State Parks Interpretive Association.

Rick Gould. Director of Parks, Recreation, and Community Services for the City of Santa Clarita.

Dave Myerson. Resource consultant and principle with the Resource Opportunity Group, LLC.
